FOR THE WESTERN DISTRICT OF MICHIGAN

In re: MODIFICATION OF COURT OPERATIONS
IN RESPONSE TO COVID-19

Administrative Order
No. 20-MS-029

The Court continues to monitor developments on the Covid-19 pandemic and to make operational adjustments that preserve continued access to the Court while simultaneously protecting the health of Court staff and the constituencies we serve. On March 23, 2020, this Court entered Administrative Order 20-MS-024 modifying certain Court operations, including facility access, through the close of business on April 13, 2020. In light of continuing developments, including the Governor of Michigan's Executive Order 2020-42, issued April 9, 2020, the Court has decided to extend the terms of Administrative Order 20-MS-024 through the close of business on April 30, 2020.

Dated: April 10, 2020
