FOR THE COURT:

Dated: November 1, 2023

HALA Y. JARBOU
CHIEF UNITED STATES DISTRICT JUDGE

**UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF MICHIGAN**

**PROCEDURES FOR HANDLING MOTIONS FOR
SENTENCING MODIFICATIONS UNDER 18 U.S.C. § 3582(c)(2)
(AMENDMENT 821)**

This memorandum sets forth the procedures adopted by the United States District Court for the Western District of Michigan for consideration of motions by defendants for sentence modifications arising from Amendment 821 of the United States Sentencing Guidelines. This amendment, effective November 1, 2023, made two retroactive changes.

- Part A of the amendment addresses “Status Points,” decreasing them by one point for individuals with seven or more criminal history points and eliminating “Status Points” for those with six or fewer criminal history points.
- Part B creates a new §4C1.1 guideline that provides a decrease of two offense levels for “Zero-Point Offenders” (no criminal history points) whose offense did not involve specific aggravating factors. The amendment revises the Commentary to §5C1.1 to provide guidance regarding the appropriateness of a sentence other than prison for certain first offenders.

The following procedures are intended to govern the expeditious handling of motions for sentence modification in the majority of cases; an individual judge, however, is free to alter these procedures to address the circumstances of any particular case. The Amendment does not authorize release of any defendant before February 1, 2024.

I. Form and Filing of Motions

A. Form of Motions: Motions must be filed on the Court-approved form. No memorandum of law or attachments may accompany the motion. Non-conforming motions will be returned to the submitting party by order of Court.

B. Filing of Motions

1. By the Federal Public Defender (FPD):

- a. The motion shall be e-filed, with a copy automatically sent by CM/ECF to the U.S. Attorney’s Office.
- b. The motion will include a request for appointment of the FPD and financial affidavit. The financial affidavit must be e-filed separately, with access restricted to the filer and the Court.

2. By a panel attorney who represented the defendant at sentencing or on appeal:

- a. The motion shall be e-filed, with a copy automatically sent by CM/ECF to the U.S. Attorney's Office.
 - b. The motion will include a request for appointment of the panel attorney and financial affidavit. The financial affidavit must be e-filed separately, with access restricted to the filer and the Court.
3. By retained counsel: The motion shall be e-filed, with a copy automatically sent by CM/ECF to the U.S. Attorney's Office.
 4. By a pro se defendant:
 - a. The motion shall be filed with the Court on paper and scanned into the CM/ECF system, with a copy automatically sent by CM/ECF to the U.S. Attorney's Office.
 - b. The motion may request appointment of counsel in the body of the form motion. If counsel is requested, the defendant should also submit a completed financial affidavit. The clerk's office shall only file any submitted financial affidavit with access restricted to the defendant and the Court.
- C. Appointment of Counsel: Appointment of counsel is discretionary with the Court at any stage of the proceedings.

II. Initial Consideration

A. Initial Review (Step A)

1. Immediately upon filing, the judge's office will review the motion to determine whether the defendant has been previously identified by the Sentencing Commission or the Administrative Office as an inmate potentially affected by Amendment 821.
 - a. If so, the Court will move to Step B.
 - b. If not, the case will be referred to Probation for a review of the file, to determine whether the movant may be an eligible defendant.
 - c. The Probation Office will file a short report stating whether the movant may be an eligible defendant because the Final PSR assessed status points or treated movant as a Zero-Point Offender. The Probation Office will not make any other potential eligibility assessment at this step. The Probation Office will e-file the report. This report should be submitted within seven business days, unless the Probation Office file is in storage. Pro se movants must be served by mail, with proof of service.

2. If the Probation Office report concludes that movant may be eligible, the Court will move to Step B.
3. If the Probation Office report concludes that movant does not appear to be eligible, any represented movant may file an objection within 14 days of service, and any pro se movant may file an objection within 21 days of service.
4. If the Court determines that the movant may be an eligible defendant, the Court will move to Step B.
5. The Court may at any time deny the motion if the Court determines the movant is not eligible for relief.

B. Triage of Motions (Step B)

1. Motions by potentially eligible defendants with a release date within 12 months of February 1, 2024—the earliest possible release date under the Amendment—will receive priority, and the Court will immediately move to Step C.
2. Motions by potentially eligible defendants with release dates after February 1, 2025, will be held in abeyance. The Court will reach those motions, moving to Step C, after more urgent cases are decided.

C. Issuance of Order for Sentence Modification Report (Step C)

1. The Court will order the Probation Office to prepare a Sentence Modification Report, addressing the following issues:
 - a. a brief procedural history of sentencing decisions, including whether the original sentence reflected any departures or variances, or was reduced under U.S.S.G. § 5K1.1 or Rule 35(b);
 - b. the original Guideline range calculation (including criminal history points and category) and a recalculation of the Guideline range (including criminal history points and category) in accordance with the Amendment;
 - c. a statement as to whether the movant is an eligible defendant and the basis for that conclusion;
 - d. a statement as to whether the movant received credit in anticipation of Amendment 821 based on a variance;
 - e. any information readily available to Probation from the BOP concerning the defendant's post-sentencing conduct or misconduct;

- f. any information available to Probation concerning the danger to any person or the community that may be posed by a reduction in the defendant's sentence; and
 - g. a recommendation for disposition of the motion.
2. The U.S. Probation Office will be directed to prepare Sentence Modification Reports in a sequence consistent with projected release dates of the moving defendants, assuring those defendants eligible for imminent release are addressed first by the Court. Once all requested reports for inmates with projected release dates within 12 months of February 1, 2024, are submitted to the Court, the U.S. Probation Office will prepare reports for moving defendants with release dates after February 1, 2025, in a sequence reflecting their projected release dates.
 3. The Probation Office will e-file the Sentence Modification Report (access restricted to the Court, the U.S. Attorney, and counsel for movant).
 4. The Probation Office will e-file the original Presentence Report (access restricted to the Court, the U.S. Attorney, and counsel for movant), if not already on the docket.
 5. The Clerk's Office will serve the order on pro se movants by mail.

D. Submission by the Parties

1. Defendant (or counsel) will have 21 days after service of the Sentence Modification Report to file a brief and supporting documents, addressing any legal or factual issue relevant to the motion for reduction of sentence.
2. Within 21 days of service of defendant's brief, the government may file its brief and supporting materials, addressed to the same subjects.
3. Submissions in support of or in opposition to a motion must not exceed 20 pages, including attachments. Counsel must e-file these documents and serve any pro se movant by mail, with proof of service.
4. At any time before a decision on the motion, the parties may file with the Court a joint recommendation for disposition of the motion, understanding that the ultimate decision is in the Court's discretion.

E. Hearing

1. A hearing will be scheduled only if the Court determines that it is necessary to resolution of the motion.
2. A defendant's presence for sentence modification is not required by the Federal Rules of Criminal Procedure. Fed. R. Crim. P. 43(b)(4).

3. If either party seeks a hearing or defendant's personal presence, the party's brief must specifically request that relief and give reasons in support.

Defendant, through counsel, hereby requests a modification or reduction of sentence pursuant to 18 U.S.C. § 3582(c)(2) and Amendment 821 to the United States Sentencing Guidelines. First, Amendment 821 decreases “Status Points” by one point for defendants with seven or more criminal history points and eliminated “Status Points” for defendants with six or fewer criminal history points. “Status Points” are those points that were applied under then-United States Sentencing Guideline (U.S.S.G.) § 4A1.1(d) if the defendant committed his or her federal offense while on probation, parole, supervised release, imprisonment, work release, or escape status. The change is retroactive as of November 1, 2023, and has an effective date of February 1, 2024.

In support of this motion, Defendant states as follows:

1. I am serving a term of imprisonment.
2. My presentence report:

included "Status Points" in the calculation of my criminal history score under then-U.S.S.G. § 4A1.1(d).

scored me as having zero criminal history points.

3. I was sentenced in the Western District of Michigan on _____ (date) to a term of _____ months in prison. My total offense level was _____ and my criminal history category was _____.

4. My projected release date is _____.

5. I hereby request that the undersigned be appointed as my attorney at no cost to me.

If requesting counsel, in support of my request, I have completed a Financial Affidavit, which will be e-filed separately under restricted access. (Note: appointment of counsel is discretionary with the Court.)
